RENTAL POLICIES

Payment & Cancellation Policy

To confirm a reservation, a fifty-percent (50%) non-refundable deposit is required. Changes can be made up until thirty days (30) before delivery. Within the 30-day window prior to delivery orders cannot be reduced. Additions will be accepted subject to availability until 5:00 p.m. the day before delivery.

Cancellations made prior to 30 days before the scheduled delivery date will forfeit the deposit. Cancellations within the 30-day window may be required to pay the full rental fee depending on Wildflower's ability to rent items to another party.

Payments can be made by cash, check or credit card (Visa, MC, Discover) or via PayPal.

Delivery Fees

Delivery is included in the rental price for venues within the city limits of Stanley or Lower Stanley. For deliveries outside those areas, a minimum mileage fee of \$25 will be added to the order.

Setup & Take-down Times

Due to the dynamics of our small town, our rental employees work multiple jobs which require us to have flexible setup and take-down times. For most Saturday weddings, Wildflower requires setup on Friday evenings and take-down on Sunday evenings. If you need the rental setup or take-down to occur outside of these normal time frames, there will be an additional \$75 charge to cover added labor costs.

Setup & Take-down Labor

Labor for tent setup and take-down is added to all rental quotes. For dance floors, labor is already included in the rental fee. Setup and tear-down of tables and chairs is not included in the delivery fee. For an additional fee, setup and tear-down can be provided. This will need to be pre-arranged with Wildflower Events and Rentals. The customer must have a diagram of the equipment layout and an on-site contact person at the time of setup. For tear-down services, please note that the renter must ensure all rental equipment is cleared of any linens, decor, liquids or food debris prior to rental crew arrival for tear-down after the event. Failure to do so will result in additional labor charges.

Sub-Rentals

Wildflower does not keep serviceware, or extensive decor options in inventory. We are happy to arrange for sub-rental of these items on your behalf through our vendor connections. If you need items delivered from a rental company in the Ketchum area, there will be a \$125 labor and delivery fee added to your rental order.
